

Sunday, August 2, 2015, 3–4:30pm
29th Annual August Peace Event

Doors open 2:45

Social Hall, St John's Lutheran Church, 1701 L St., Sacramento

This event commemorates the 70th anniversary of the bombings of Hiroshima and Nagasaki, August 6th and 9th, 1945. It is dedicated to the abolition of nuclear weapons, a threat to all humanity.

PROGRAM:

Andrew Lichterman, lawyer and senior policy analyst with Oakland-based Western States Legal Foundation (WSLF), will speak on “**Nuclear Weapons and the Dangers of Great Power Wars Today**”.

Lichterman is a member of the Global Council of the Abolition 2000 Global Network to Eliminate Nuclear Weapons.

For 30 years, WSLF has been a major force in the movement to abolish nuclear weapons. This issue is more important than ever, as the U.S. continues to “modernize” its nuclear arsenal and tensions grow between the U.S. and Russia.

The program will also include *The Story of Sadako and the Thousand Cranes*, and music by *Chanteuses*, who for nearly 20 years have been entertaining Sacramento with their superb blend of vocal harmonies.

PARKING: We are reserving the church lot for handicapped parking; in addition to free Sunday street parking, you may use the free church parking lot with entrance on K Street.

FREE: donations welcome. Come early for refreshments and to browse sponsoring organizations’ literature tables.
