

Sunday, August 7, 2016, 3–4:30pm
30th Annual August Peace Event

Doors open 2:30

Social Hall, St John's Lutheran Church, 1701 L St., Sacramento

This event commemorates the 71st anniversary of the bombings of Hiroshima and Nagasaki, August 6th and 9th, 1945. It is dedicated to the abolition of nuclear weapons, a threat to all humanity.

PROGRAM:

Tony deBrum, former Foreign Minister of the Republic of the Marshall Islands will speak on “Challenging the Nuclear Giants to Disarm.” Mr. deBrum is suing the nuclear-armed countries on behalf of his country. For over 44 years, the Non-Proliferation Treaty has required the nuclear-armed countries to negotiate toward disarmament. In exchange, many non-nuclear armed countries agreed to not develop nuclear weapons of their own.

But the US is planning to spend \$1trillion to modernize its nuclear weapons, and for years there have been no new negotiations to reduce the number of nuclear weapons. This lawsuit demands good-faith negotiations for nuclear disarmament from the nuclear armed countries: the US, the UK, France, Russia, China, Israel, India, Pakistan and North Korea.

As usual we will have music, refreshments and a chance to meet up with wonderful people doing good work in Sacramento.

Parking: The church lot is reserved for handicapped parking; Free parking on-street or in the church parking lot with entrance on K Street.

FREE: donations welcome. Come early for refreshments and to browse sponsoring organizations' literature tables.
