

# The 31st Annual August Peace Event... IN JULY!

*welcomes the Veterans For Peace  
Golden Rule Peace Boat, sailing to  
BAN NUCLEAR WEAPONS!!*

**Sunday, July 9, 2017, 2:30-4:30 PM  
at The Grand, 1215 J St, Sacramento**

In 1958, four activists aboard the *Golden Rule* sailed to stop nuclear weapons testing in the Marshall Islands, but were arrested in Hawaii and later the boat was damaged. The *Golden Rule*, restored by Veterans For Peace in northern California, will stop in Sacramento on its journey down the California coast to halt the renewed nuclear arms race and alert the public about steps to nuclear disarmament. Come and hear about current negotiations in the United Nations for a treaty to ban nuclear weapons!

In lieu of the usual August commemoration of the bombings of Hiroshima and Nagasaki, this free event will raise funds to help the *Golden Rule* on its journey. Donations (tax-deductible) should be made to VFP Golden Rule Project and brought to the event or mailed to PO Box 87, Samoa, CA 95564. Information: [www.augustpeaceevent.org](http://www.augustpeaceevent.org) or phone JoAnn Fuller 916.536.9956.

*This event is sponsored by the August Peace Event and cosponsored by Veterans For Peace #87 and Sacramento Valley Branch Women's International League for Peace & Freedom. The planning committee gratefully acknowledges Moe Mohannah of Mohannah Development Co. for the donation of the use of The Grand.*

You may also meet the crew at a potluck, Tuesday, July 11, 6-9 PM, at the Southside Park Co-Housing Common House, 434 T Street (directly behind 440 T Street), Sacramento. This event is sponsored by Sacramento Valley Branch of the Women's International League for Peace and Freedom. Information: Helen Jaccard: 206.992.6364 or Pennie Taylor: 916.456.1282.
